DAYTON'S DAHLIA GARDENS

Dayton Bond, Proprietor

647 North Main Street

AKRON :: OHIO

Gardens, Cor. E. Tallmadge and E. Park Aves.

I take great pleasure in presenting my 1933 illustrated descriptive catalogue of high class dahlias as grown in my gardens. Realizing that to list an enormous number of dahlias is confusing and can serve no good purpose, I have listed only those of superior merit.

I desire to thank my many customers for their liberal patronage during the past year and for the many kind letters telling of their success they had with my dahlias, both in the garden and show room. I ceaselessly endeavor to maintain a reputation for fairness, integrity and trustworthiness to do a clean business, satisfactory to me and my customers. My best business comes from those who send me their orders year after year; they know they can depend on me for good stock and a fair deal.

Visitors welcome at all times. Do not fail to visit our gardens during the blooming season.

This catalogue is alphabetically arranged so that the busy man or woman can find what is wanted quickly.

Full culture directions sent with each order.

TERMS OF SALE:—Please read carefully.

The following offers are made subject to Prior sale, and on the following conditions.

Our quotations are for strictly first class stock, and I guarantee its quality to please you. Any stock that should prove otherwise I will cheerfully replace free of charge. Beyond that my responsibility ceases.

There has and always will be a limited number of failures in every line of Gardening endeavor, most of which are usually beyond control, such as soil condition, too deep or too shallow planting, lack of cultivation, unfavorable weather, etc., which renders it impossible for us to guarantee your success but I do guarantee to fill your order with good healthy stock, and to deliver them to you in growing condition. With each order I send printed cultural instructions for your guidance, which if followed carefully, should be very helpful in guiding you to success.

Terms:—Cash with order. Orders for less than \$1.00 not accepted unless 25c postage is added. On early orders a deposit of 25% of the amount of order will hold it till shipping time, balance may be C. O. D. Usual trade discount except those marked Net.

Always state by what method you want your goods forwarded, otherwise I will use my best judgment. Claims must be made within 5 days after receipt of goods. All goods travel at owners risk.

Non-Warrant: I endeavor to send out the best quality only, true to name and color, but I cannot guarantee results. If customers do not accept goods on above conditions, they may be returned to me within 10 days.

I will not substitute unless ordered to do so.
